OAKLAWN ACTIVITY

C E N T E R

K-State Research and Extension is an equal opportunity provider and employer. K-State Research and Extension is committed to providing equal opportunity for participation in all programs, services and activities. Program information may be available in languages other than English. Reasonable accommodations for persons with disabilities, including alternative means for communication (e.g., Braille, large print, audio tape, and American Sign Language) may be requested by contacting the event contact Matthew McKernan two weeks prior to the start of the event (February 28, 2024) at (316)-660-0140 or mckernan@ksu.edu. Requests received after this date will be honored when it is feasible to do so. Language access services, such as interpretation or translation of vital information will be provided free of charge to limited English proficient individuals upon request. Kansas State University Agricultural Experiment Station and Cooperative Extension Service.
